

## How to Register for a BTP Free Trial Account?

### Step 1:-

We should have an Account on the SAP Website. if we already have a registered email ID on the SAP Website we can directly go for the SAP BTP trial Account Registration, if not first we have to register on the SAP website

**search for the sap store and go inside the sap store. click on sign-in option.**

**Click on Register button**

Give the details like First Name, Last Name, Email, and Company, and Click on submit.

The screenshot shows a registration form for SAP. The steps are numbered 1, 2, and 3: 1. Register (highlighted in blue), 2. Verify your e-mail, 3. Access all resources. The form fields are as follows:

- First Name \*: Mahesh
- Last Name \*: Wattamwar
- Country/Region \*: India
- Business e-mail address \*: XYZ@gmail.com
- Department \*: Administration
- Phone: +91 1234 567 890
- Company \*: XYZ

Submit Back

The screenshot shows a web browser window for sap.com/store.html. At the top, there's a navigation bar with links for Apps, Products, Industries, Transform and Support, Learning, Community, Partners, About, Explore SAP, and a search bar. Below the navigation is a main header with the SAP logo and a search bar. The main content area has a dark background with a central white box. The box contains the text "Search on SAP Store" and "Discover, try, and buy solutions from SAP and partners." Below this, there are three numbered steps: 1. Register, 2. Verify your e-mail (which is highlighted in blue), and 3. Access all resources. A large button labeled "Check your e-mail and finalize your sap.com account" is present. Below it, a message encourages users to dive into fresh content and free trials. Further down, a section titled "Let's find the right solution for your business" includes a dropdown menu set to "Software extensions".

click on Activate your account.

The screenshot shows an email message with the subject "FINALIZE YOUR ACCOUNT". The body of the email starts with "Dear Mahesh Wattamwar," followed by "Thank you for registering for an account on SAP.com." It continues with "With this one time registration process you will continue to have access to Free Trial Software, Documents & Reports, and more." Then it says "Once logged in for the first time, Single Sign-On (SSO) will be enabled. To activate your new account click the link below." Below this is a blue button with the text "Click to activate your account". At the bottom, it says "If the link above is not displayed or does not work, copy and paste the link below to the address bar of your browser." followed by a long URL: <https://accounts.sap.com/ids/activation?token=I241414141444657536D4E6865776238426E6F76324E5676416A613779657A3571774531535338653235594A6F635579315758484625324676693073674625324630377262354E7A4431736573764271723741346B4468626537396A716D473025334>.

once our BTP account setup, go to our Trial Account

The screenshot shows the SAP BTP Cockpit interface. On the left, there is a sidebar with the following navigation items:

- Account Explorer (selected)
- Resource Providers
- Boosters
- System Landscape
- Entitlements
- Security
- Usage

The main content area is titled "Global Account: e826b8b8trial - Account Explorer". It displays the following information:

- All: 0 directories, 1 subaccounts | Subdomain: e826b8b8trial-ga
- Regions: A search bar, a dropdown menu set to "All", and a checkbox labeled "Hide entities you don't have access to".
- Directories and Subaccounts: A "Create" button, a "Switch Global Account" button, and a "Delete Trial Account" button.
- Subaccounts (1): A table showing one subaccount named "Guruji\_Trial". The table includes columns for "Subaccounts", "Provider", "Region", and "Environment". The "Guruji\_Trial" row shows the provider as "Amazon Web Services (AWS)", the region as "US East (VA) - AWS", and the environment as "Multi-Environment".

From here we can see the trial account

so, to make a note of the Sub account, go to the trial account to see all the details of trial account. double click on trial

The screenshot shows the 'Subaccount: Guruji\_Trial - Overview' page. On the left, there's a sidebar with links: Overview, Services, Cloud Foundry, HTML5 Applications (which is selected), Connectivity, Security, Entitlements, and Usage Analytics. The main content area has tabs: General (selected), Cloud Foundry Environment, Kyma Environment, and Entitlements. Under 'General', it displays 'Entitlements' (86) and 'Instances and Subscriptions' (4). Below this, detailed information is listed:
